TASK-1

DIGITAL LITERACY

SKILLS FOR THE SMART STUDENT

WHAT IS DIGITAL LITERACY ?

Aa

- Ability to find, evaluate, and use information online
- Understanding how to communicate safely and responsibly
- Being aware of digital footprints and online behavior

USEFUL DIGITAL TOOLS FOR STUDENTS

01

GOOGLE DOCS

Enables real-time collaboration, making it easy to work on group assignments, share notes, and receive feedback instantly from teachers or classmates.

02

MICROSOFT EXCEL

Helps in organizing and analyzing data using tables, formulas, and charts; useful for projects, research work, and basic data analysis skills.

03

CANVA

A beginner-friendly design tool for creating presentations, posters, resumes, and infographics with professional-looking templates and visuals.

SAFE INTERNET PRACTICES

THINK BEFORE YOU CLICK

USE STRONG PASSWORD

Create passwords that include a mix of letters, numbers, and symbols. Avoid using personal details

AVOID CLICKING ON UNKNOWN LINKS

Be cautious of links received through emails, messages, or pop-ups from unknown sources. These may lead to phishing websites

DON'T SHARE PERSONAL INFORMATION PUBLICLY

Never post sensitive details such as your phone number, home address, passwords, or financial information online. Oversharing can lead to identity theft

RECOGNIZE FAKE NEWS & SCAMS

Always verify information before believing or sharing it. Check trusted sources

PROFESSIONAL ONLINE PRESENCE

Aa

KEEP SOCIAL MEDIA CLEAN AND RESPECTFUL

Bb

USE A PROFESSIONAL EMAIL ID

Cc

BUILD A STRONG LINKEDIN PROFILE

THINK BEFORE YOU POST

BEFORE SHARING ANYTHING ONLINE, ASK YOURSELF: “WILL THIS AFFECT MY FUTURE?”

WRITE BETTER EMAILS

EMAIL ETIQUETTE

solve a core problem, create an impact, fulfill a need. Everything we do is driven by this purpose, keeping our brand aligned and mission-driven.

USE A CLEAR AND SPECIFIC SUBJECT LINE

The subject line should briefly describe the purpose of your emailA clear subject helps the receiver understand the context quickly and prioritize the email.

KEEP THE MESSAGE SHORT, CLEAR, AND FORMAL

Write your email in simple and direct language. Avoid unnecessary details, slang, or informal expressions. Make sure your message clearly communicates your purpose

CHECK GRAMMAR AND SPELLING

Always proofread your email before sending. Correct grammar, punctuation, and spelling create a good impression and ensure your message is understood properly.

THANKYOU

KEEP LEARNING, KEEP OTHERS EDUCATED.
